# Model code

## 1 Selection:

When the door is open, hold down two buttons and actuate the main switch until the model code is displayed.

## 2 Select special programme:

When the two buttons are released, LED L3 illuminates and LED L4 flashes. P0 is displayed. Press button S3 to select the required special programme. Keep pressing button S3 until **P4** is displayed.

**Press button S4 to acknowledge the selected programme.**

## 3 Select model:

Press button S3 to select the different codes according to the programme symbols (see table).

## 4 Save the model:

Switch off the appliance to save the new code

### Code table:
