Two-piece burner cap for GEH/KEH/GKS/GK/GM

Single-piece burner cap

B-burner	Spare part. no. 152809
A-burner	Spare part. no. 152810
A1-burner	Spare part. no. 152811

Burner caps for the above appliances will only be supplied as two-part models in future. These burner caps comprise a bottom part made of cast aluminium and a top enamelled steel cap which can be removed for cleaning purposes.

The underside of the steel cap has not been treated. In order to prevent corrosion, the underside should be rubbed down with a little resin and non-corrosive oil or grease.
