New Turntable kit in compact microwaves ovens

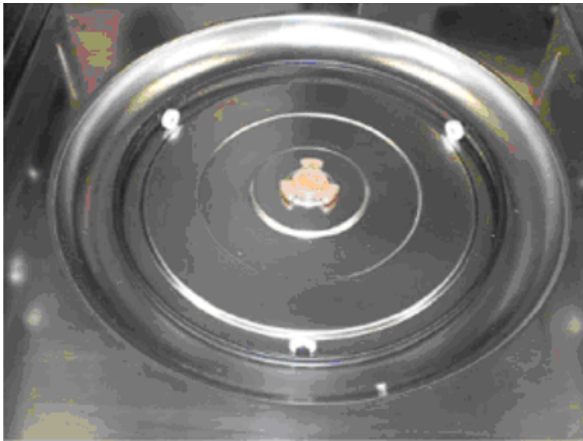

MODELS

EMWK 1050.0 - EMWG 1050.0 - MWGC 610.1

INTRODUCTION

As of production dates after the 14th calendar week of 2008, the new version of the turntable bracket (**spare-part no. 53 39 85**), the wheels (**spare-part no. 53 39 86**) and the glass plate (**spare-part no. 53 39 87**) have been installed as a standard.

These new spare parts can be installed into appliances produced before the 15th calendar week of 2008. **In this case the full set will need to be replaced.**

Old system

New system

Old version

Turntable bracket, spare-parts no. 528956
