
Hinges with a limited opening angle of 90°

As of now hinges with a limited opening angle of 90° are available for refrigerators and freezers with quickset hinge technology and for in-built appliances. Two sets of hinges consisting of two hinges each are available.

Spare-parts No. 431369 for:

IKU 158-4
IKU 168-4
IKU 138-4

Spare-parts No. 431370 for:

IKE 169-4
IKE 149-4
IKE 239-4
IKE 219-4
IKE 119-4

Also for these hinges the restriction is achieved by a pin that is fitted into an existing drill hole.

The pin is part of the packet.
